

**The Original**

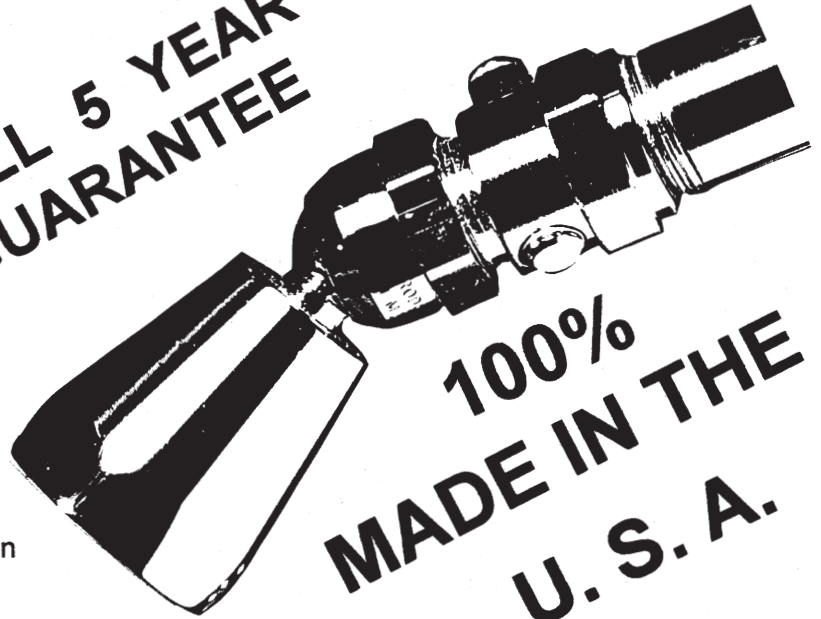

# AquaJet

**Save water . . .  
Save energy  
every time  
you shower**

**FULL 5 YEAR  
GUARANTEE**

**Water-saving  
shower head**

- Reduces flow yet still gives you a comfortable shower.
- Soap-up valve lets you shut off the water while you lather up, then return the spray at a touch.
- Saving hot water means reducing water heating costs.
